WE NOMINATE

Richard Anderson Falk, one of the country's most articulate, outspoken and persistent critics of American intervention in Vietnam, whose early-summer visit to North Vietnam and subsequent comments on Hanoi's willingness to make concessions in some areas have been creating headlines in the world press. It is the gist of the 37-year-old scholar's observations, following his meetings with top Viet Cong leaders, that the North Vietnamese are suffering more directly from the war than we are and, consequently, their attitude toward ending it is much more reasonable; in brief, as Falk sees it, "the main obstacles to peace are in Washington, not in Hanoi."

A consultant to government agencies, including the U.S. Arms Control and Disarmament Agency and co-author in 1966 of a study for the U.S. Senate Foreign Relations Committee on the "Neutralization" of Southeast Asia, Falk, both in Hanoi and later in Paris where he talked with members of the Vietnamese negotiating team, was "surprised by how relatively non-ideological the North Vietnamese leaders seem. They don't use Marxist, Maoist, or any special rhetoric. By and large, they are highly intelligent, broadly educated and interested in cultural as well as political activities. They also seemed to have an obsession for reconciliation."

Falk, rebuffed since his return in his efforts to confer with U.S. officials, emphasizes that he now has "a better feeling for the hard and soft negotiating issues as the North Vietnamese see them," but, he contends, "our government is apparently not interested. There are two hard issues on which North Vietnam will not compromise. The first is an end to the bombing of North Vietnam, which they regard as an indication of America's determination to bring the war to an end. The second hard issue is elimination of the present ruling elite in South Vietnam. Hanoi feels this is an American problem, since we set them up in power."

This native of Manhattan, a member of the Princeton University Faculty since 1961 and second incumbent of the Albert G. Milbank Professorship of International Law and Practice, also offers new insights into a recently formed opposition organization in South Vietnam, the Alliance of National, Democratic and Peace Forces. American officials have refused to concede Hanoi's contention, Falk asserts, that this possible central element in a postwar South Vietnamese government represents an important and independent political force based on the support of urban intellectuals, the bourgeoisie and civil servants who sympathize with the Liberation Front (Vietcong) but refuse to join it.

The author, co-author or editor of a half-dozen major volumes, including the newly published "The Vietnam War and International Law," in which scholars, lawyers and statesmen dispute the legality of America's role in Vietnam, Falk is deeply respected in his field and has been described as "an expert in the sphere of war prevention and world order." A graduate of the University of Pennsylvania, and holding degrees from both the Yale and Harvard Law Schools, he was counsel to Ethiopia and Liberia in the South-West Africa Cases before the World Court and at a South African trial of 37 accused South-West Africa terrorists acted as an observer for the International Commission of Jurists.

For possessing the courage of his strong convictions and advocating immediate policy-changes so that — in his words — "further disaster may be averted at home and abroad"; for demonstrating by personal example that a basic mission of universities is to provide open forums for rational discourse and communication; he is our nominee as

"YOU LOOK AT HIM AND THEN . . . ech!" Frazer Lively (extreme right) directs an Impromptu Players unit for "The Trojan Women," Euripedes' anti-war play to be given Friday and Saturday at 8:30 in the Stuart School theatre. The cast, rehearsing in Trinity's nursery room, includes (from left) Mary Speers, Gail Kohn, John Nierenberg and Neal Harris. Admission to the play is free.

This Is Princeton

INTRODUCING . . . The Impromptu Players. "We haven't any money and nobody's ever heard of us. . . "

"It's a beautiful play. . . "

("Those kids aren't supposed to be up there rehearsing. They just sneak upstairs, and you go up and see why the light is on and there they are.")

"Two people stand on chairs and speak the thoughts that two people are pantomiming on the stage. We just get up and act."

"It is absolutely anti war. It's one of the bitterest plays Euripides ever wrote. . . "

"We've done two by Ionesco "The Bald Soprano' and 'The Chair.' Both plays were written the same year, and both are COMPLETELY different!"

"We want to do one in Palmer Square. I have found the businessmen of the town and the churches are very cooperative. We asked Jack Yeoman for permission to use the Square. He needed the name of Youth Associates' insurance broker and the play resume, which I was glad to provide."

"Possibly we'll do 'The Trojan Women' at the Battle Monument. I have to go and find out if they'll let us."

"Jan and Bianca are making the costumes."

"We're going to do children's plays at the playgrounds. And improvizations — the audience loves them."

"You have to know a lot more about people to direct a play."

"Now, say it with scorn, 'You, there! with your wits unhinged by ideology!!!' "

Living the Dream. The young voices of the summer's "Impromptu Players," numbering 40 or 50, are Princeton young people completely enchanted with the theatre. They choose the plays that speak to them struggle with interpretation, direction, groping their way through roles that have caught their minds.

Some are working backstage, others are scrounging props. There are actor-painters and actor-costumers. There's a fringe group that does posters and scenery, another that can be called upon for music.

Three plays have been in rehearsal this summer. The two Ionesco dramas were performed at Stuart School last Saturday. "Mother Bush will move mountains to help you!"

The anti-war play, "The Trojan Women," will be given this Friday and Saturday at Stuart. The three youthful directors cope with the exciting, hectic pace ("Where can we possibly rehearse") in differing ways: Frazer Lively with exhuberance, Dan Schay with a worried brow, Richard Green with quiet intensity.

Day says frankly, "The director handles all the dirty work. The kids have no conception of the vast amount of work that goes into putting on a play!

"This is my first experience in directing . . . it's a lot harder than acting. Directing is a matter of coaxing a role. . . "

Workshops. Two Princeton adults are working with the players: Mrs. Sally Goodman, who handles the pure theatre aspect at workshops held every Monday at 7:30 in First Presbyterian Church, and Mrs. Helene Peterson, Youth Associates staff member in charge of the drama troupe. A number of the players are PHS students who signed up for summer theatre and turned to Youth Associates when they found themselves without adult leadership.

The Monday sessions with Mrs. Goodman, a New York Hollywood actress, are devoted to discussion of all phases of the theatre. The players learn acting through improvisations. "She is fantastic!" a player said happily last week.

Mrs. Peterson is involved in "the huge administrative work that has to go into arranging the plays to rehease, getting the whole thing organized. Of all the Youth Associates' programs, the drama troupe fills more of its main purpose: to enable adolescents to work along with adults in doing something worthwhile for them and the community itself."

A pretty, young woman not much older than the players, she adds, "I think that every single member of the drama troupe joined for recreation purposes. But in order to get even one small production off the ground, we have had to be as dedicated as one can be. The kids have been impressed that they have to be dedicated."

Members of the cast of this weekend's performances of "The Trojan Women" by Euripedes includes Shirley Kidd as Hecuba, John Nierenberg as the Greek messenger, Neal Harris, Cassandra; Sarah Lively, Andromache; Ken Irvine, Menelaus; Jan Fritner, Helen. In the Greek Chorus are Mary Speers, Lenore Fisher, Bianca Fiore and Gail Kohn.

Behind the scenes are Peter Schay, Barbara Mellinger and Marsha Bell. The director, Frazer Lively, is a sophomore at Radcliffe, where she worked in freshman drama last year. At Princeton High School, she had leading roles in six plays under the direction of Don Evans and William Cook.

Experiment. In the cast of "The Bald Soprano," (It's an anti-play," the director, Richard Green, comments. "I don't believe there is a sentence in the play that makes sense at all!") were Andy Dwork, Adrian Fogelin, Randy Eiger, Alice Bigelow, Jeff Halpern and Martha Rowen.

Richard, one of the original members of the PHS Repertory Theatre, enters Boston University this fall. The play is the fourth he has directed, and at Boston he will have to choose between directing or acting. Two summers ago, he studied at the Purdue University summer drama theatre. He has been in plays at PHS, in summer groups in town and Trenton and has worked backstage at McCarter.

Dan Schay's cast for "The Chairs' included Mary Bishop as the old woman, Rich Winthrop as the old man and Dave Schlicting as the orator. "It's a tragedy," Dan said last week. About the futility of man against mankind."

A junior this fall at PHS.

"ONE OF THE REASONS we try to do plays with small cash is to give everybody a chance" Mrs. Helene Peterson (left, with Martin) says of the Youth Associates' drama troupe. "Impromptu Players." Dan Schay (center) and Richard Green are among the summer directors.

This Is Princeton

Continued From Page 1

Dan was in the school's Mercury Players last year. He studied at the Rutgers-Lawrenceville School dramatic arts training program last summer. A member of the Princeton Youth Center's youth council, he wants to draw more of the kids into the Players.

The core group of the Impromptu Players worked last winter with Moe Kinnan—numbering about 30 youngsters who wanted to continue the play group Youth Associates formed a summer ago. They gave improvisations around town, presented a play at Christmas in the University Chapel and got a play into production that "got bogged down because of exams."

The summer Impromptus have ahead of them two small plays, possibly Camus' "The Misunderstanding," a series of children's plays at the playgrounds and a production of Pirandello's drama, "Right You Are If You Think You Are."

"We have the cooperation of Father Whittenmore at Trinity to actually act before the congregation as part of a service," Mrs. Peterson states.

Frazer Lively sums it, "The most important thing is to start working together. There is a fantastic interest in theatre in this town. . ."

TWO DIE IN ACCIDENTS

Hopewell Youth Victim. A Hopewell Valley Central High School senior and a resident of Pittsburgh were killed last week in separate automobile accidents.

Bruce E. Johnson, 18, of 118 Taylor Terrace, Hopewell, was killed Thursday when the car in which he was alone struck a pole on Route 31 in East Amwell Township. State Police said he lost control of his car shortly before midnight, crossed to the opposite side of the highway and hit a pole and a directional sign. The car was demolished

Young Johnson is survived by his parents, Mr. and Mrs. Edmund D. Johnson, Jr.; two brothers, Jerry, a member of the U.S. Coast Guard, and Mark; two sisters, Jeanne and Joy; his paternal grandparents, Mr. and Mrs. Edmund Johnson of Fort Pierce, Fla.; and his maternal grandparents, Mr. and Mrs. Robert Richardson of Lawrenceville.

A graveside service was held at Highland Cemetery.

Crash near Western Electric. A collision with a utility pole was also the cause of death of Leonard D. Clanton of Pittsburgh Thursday when the rented car he was driving left Carter Road and overturned near the Western Electric Research Center.

Mr. Clanton, about 30 years of age, was identified by a checkbook bearing his name by State Police, who found him under the car. He was pronounced dead on arrival at Princeton Hospital.

The accident took place at 7:15 Thursday morning. A traffic tie-up which delayed numerous cars traveling between Hopewell and Princeton resulted. The car was a new station wagon that had been leased from Nassau-Conover Motors by Canine Corral of East Brunswick.

DEMOCRATS EYE VACANCY

Mrs. Male May Run. An open seat on Borough Council, created by the departure from Princeton of a Democratic candidate who had entered the race earlier this year, may be sought by Mrs. Alice Male. Her decision rests upon an opinion being awaited from the attorney general's office.

Mrs. Male has asked for a ruling on the extent to which the Hatch Act would affect her candidacy. Can she legally become a candidate for political office while her husband, Raymond F. Male, is State Labor and Industry Commissioner?

The Hatch Act forbids public officials dealing with federal funds from partaking in partisan political activity. Does it, Mrs. Male has asked, apply to the wife of such a public official?

It was five years ago that Commissioner Male was charged with violation of the Hatch Act in a complaint signed by Alfred C. Clapp, campaign manager for the late James P. Mitchell, a Republican candidate for governor in 1961. He was said to be in violation of the federal law because he was running for re-election as mayor of Princeton and because he had made two speeches supporting the candidacy of Richard J. Hughes, the Democratic gubernatorial candidate.

Cleared of Charges. Commissioner Male was absolved of any wrong-doing, but memory of the somewhat complicated restrictive legislation has continued to guide family decisions in political activity. On such a basis, Mrs. Male has sought a ruling from the attorney general, and expects a reply this week.

The vacancy on the Democratic slate for council developed when Stephen Gladstone, freshman crew coach at Princeton, resigned to accept a similar position at Harvard. Mr. Gladstone had filed as the running mate of James Andrews, Princeton Theological Seminary administration member, who narrowly missed election last fall.

MAN OF THE WEEK: Richard A. Falk, Princetonian just back from a visit to North Vietnam, who contends the main obstacles to peace are in Washington, not in Hanoi."

Others who have been mentioned as possible candidates include Michael Ticktin, a Princeton University graduate student who waged a successful write-in campaign for the now-defunct position of county coroner. Mr. Ticktin's suggestion for dividing Princeton into wards for election purposes also made news this week (see below.)

The Democrats may also consider Mrs. Ann Ryan, a backer of Sen. Eugene McCarthy's campaign, and Martin J. Lombardo, campaign manager last fall for Archibald Alexander Jr. as the party's nominee for mayor. The deadline for filing to replace Mr. Gladstone is not until September 26.

IMPRACTICAL, SAYS MAYOR

On Ward Proposal. "In general, it's not a practical idea, but I don't want to give people the impression that I'm not aware of the imbalance on Council."

Mayor Henry Patterson, returned from his vacation, was commenting at his press conference Tuesday on a petition being circulated by Michael Ticktin, of 212 John Street. A graduate school student and a possible Democratic candidate for Council, Mr. Ticktin would like to see the Borough divided into six wards. Each ward would then elect a single councilman, giving greater representation on Council. At present, Councilman are elected at large.

Mayor Patterson saw two problems about the plan. First he said, getting candidates from the different areas to run is very difficult. Secondly, he was concerned about future legal attacks. "With the one-man, one-vote concept," he continued, "I can see people arguing whether this part is too big or this too small. I've already read in the papers where they are talking about Gerrymandering," he said.

"Both the Republican and Democratic parties over the years have tried to "spread" their ticket around so that various areas and various people, if you will, were represented. The greatest problem was getting people to agree to be candidates.

"It just seems people in the western section are more willing to run than people in the center of town." Two Council members, Charles Cornforth and Fred Peterson, and Mayor Patterson all live within a block or two of each other in the western section.

Asked about the possibility of districting the Borough and Township as one unit, Mayor Patterson replied: "If the Borough and Township did consolidate, you certainly would have to decide first what type of government you want. Do you want a strong or weak mayor form, do you want a manager form of government ... ."

If the Borough and Township were joined, and he had to choose, Mr. Patterson said, he would have a mayor elected for four years with much more legal power than he himself has.

"I feel the two-year term for mayor in the Borough is too short," he said. "I've always felt that since the first day I was elected. You spend the first year finding out what's going on and the second year trying to get re-elected."

Mayor Peterson announced that the parking meter ordinance rates and times and the traffic ordinance dealing with parking and traffic in the Borough have both been approved by the state — with amendments recommended by the

state and Council. "Now we can get going on them," he said.

IS FLOOR SINKING?

At Borough Hall. A 50-foot section of the main lobby at Borough Hall has been roped off, pending certification from an architect that the area between the council chambers and police headquarters is not sinking under the weight of an interior brick wall.

There is some question whether the terrazzo tile flooring of the lobby was built with an arch in the terrazzo or not. Tests revealed that there is no corresponding deflection on the ceiling below, according to Thomas Cawley, Borough Engineer. He said there is a possibility the floor may have to be supported from below.

The guarantee on the $685,000 structure runs out next month. The Borough wants the supervising architect, Richard Chorlton, to study the problem and decide what must be done.

The area was roped off to dramatize the situation and bring action, according to an official of the Borough.

YOUNG CHILD DROWNS

In Home Accident. Shawn Morris, 20-month old son of Mrs. Aloise Morris, 19 Clay Street, accidently drowned late Wednesday evening in the bathroom of his home.

Responding to an 11:22 p.m. call for a sick child, Ptl. David Alston and Ptl. Gerald Patterson applied oxygen to the infant, who failed to respond. He was taken by ambulance to Princeton Hospital where Dr. Leonard Berry tried to revive him with heart massage and respiration machines. He was pronounced dead at 11:45. An autopsy the next day listed death by drowning.

Lt. Michael Carnevale and Detective John Bellow followed up the case. From their investigation, they learned that Mrs. Morris had earlier placed Shawn and his eight-year-old brother in bed. Around 10, Mrs. Shawn, they said, left the house to pick up something from a neighbor, returning home shortly after 11. As she entered, Mrs. Morris saw water dripping through the ceiling.

The child was found unconscious in the bathroom floor. Police said he had a habit of turning on the water. His brother slept through the entire tragedy.

Police said there were no signs of life when the victim was transported to the hospital. There were no charges.

SPORTS CAR OVERTURNS

On Mount Lucas Road. A sports car overturned on Mount Lucas Road last Wednesday afternoon, injuring its driver, Bruce B. Funkhouse, 19, of Rocky Hill.

Mr. Funkhouse was taken to Princeton Hospital by Mrs. Frank Clark, Rocky Hill, and Mrs. Glenn Mohrman, Cherry Valley Road, occupants of a passing car. He received seven sutures for a laceration of his left hand and was released.

Mr. Funkhouse told Township police he was traveling about 35 to 40 miles per hour when his car started to skid on a curve in front of 516 Mount Lucas. He lost control, he said, and his car ran off the road and turned over.

Police described his 1961 sports car as a total loss. Ptl. Anthony Gaylord, who investigated, made no charges. Mr. Funkhouse was alone in the car.

NOISE CHARGE DISMISSED

Against Davidson Market. For the second time in recent months, a charge by the Borough Engineering Department against Davidson's Supermarket, 172 Nassau Street, that its freezer and refrigeration equipment are operating as excessive noise levels has been dismissed.

Magistrate Theodore T. Tams Jr. said Monday night that the Borough had failed to prove its case. Using a sound pressure level meter borrowed from the State Department of Health, the Engineering Department took readings while the machines were running but not while they were stopped.

"The reason we didn't take a reading with the machines stopped," said Borough Engineer Thomas Cawley, the complainant, "is that we could get no one to turn them off." He reported that the next time the Borough—either by request or by warrant—will have some one from Davidson's turn the machine off at night.

Attorneys for the market contend that the noise just in the surrounding air is so great that the machines alone are not to blame. The offending portions of the machine, basically heat exchangers, are located at the rear of the market. Air passes through them at the rate of 16,00 cubic feet per minute, "which is a lot of air," commented Mr. Cawley.

Mr. Cawley added that after the hearing, an official of Davidson's told him that the company intended to take steps to lessen the noise level.

Earlier this year, the same charge was tossed out when the court agreed with the market's attorney that the gauges used by the Borough to read the noise level were inaccurate.

FINED $2,000

On Narcotics Charge. Nineteen months after he was arrested during a narcotics raid at Princeton University in January, 1967, a 20-year-old Princeton resident has been sentenced by Mercer County Judge Samuel D. Lenox.

Peter Solotorovsky, 23 Heather Lane, was fined $2,000 Friday by Judge Lenox and sen-

SHAW COMEDY TO OPEN

As Intime's Last Offering. In the fourth and final production of its summer repertory drama series, Summer Intime will present George Bernard Shaw's "Arms and the Man," opening Friday at 8:30 p.m. in Murray Theatre.

The comedy is the story of the daughter of a wealthy Bulgarian family, Raina, played by Charlotte Forbes, who must choose between two men: Major Sergious Saranoff, played by Robert Rockwell, a handsome, dashing and heroic soldier, and Captain Bluntschli, a Swiss mercenary played by Peter Evans who climbs into Raina's bedroom window to escape pursuers.

Getting involved in the decision are Raina's status-seeking parents, an obsequious butler and an ambitious serving-girl. R. Edward Townley directs the play, which also includes cast members Larry Strichman, Deborah Savadge, Jon Lorrain, Marie Miller and Richard Williams.

The play will run this Friday and Saturday plus August 8, 15, 16 and 17. All seats are $2 Thursdays and $3 for weekend engagements, available through the Murray Theatre, 452-3637.

BECKETT, SHAW PLANNED

By Summer Intime. A double bill of "Krapp's Last Tape", by Samuel Beckett, and George Bernard Shaw's "Don Juan in Hell" will be presented next week by Summer Intime, Tuesday and Wednesday at 8:30 p.m., in Murray Theatre.

Frederic O'Brady will direct and star in the Beckett play, the tale of an old man going over the tape recordings which he made on previous birthdays. The director of Intime's "Amphitryon 38" earlier this summer, Mr. O'Brady is a veteran French actor and has appeared at McCarter Theatre and Bucks County Playhouse.

Four members of the resident summer company will appear in "Don Juan in Hell," a section of Shaw's "Man and Superman," in the second performance of the evening. Edward Townley, director of Intime's upcoming "Arms and the Man," will play the title role in the story of a civilized hell with Larry Strichman, Charlotte Forbes and Peter Evans completing the cast. Robert Rockwell directs the play. All tickets are $2, available at the theatre.

KAFKA AT HIS FINEST

In Intime's "The Trial." Blending the nightmarish parable from Franz Kafka's novel with the stark prose from its dramatization by Andre Gide and Jean-Louis Barrault, Theatre Intime's "The Trial" is unquestionably the best production yet in the company's brief summer season.

After fine performances in the group's first two plays, Geoff Peterson becomes director and the key to the show's success, punctuating the stage adaptation of Kafka's work with music by Prokofiev that is perfectly tailored to the Intime production.

The parable sets the mood for the entire play, as a common man is denied entrance to "The Law," a circular idea set up to perpetuate the Establishment. No mention of the meaningful fable appears in the Gide-Barrault script.

When Jon Lorrain, sitting in the Murray Theater audience, protests the treatment of the common man, he is drawn to the stage to star in the frustrating stream of blind, unreasoning justice that is Joseph K.'s trial.

Innovation Works Well. The play-within-a-play, another innovation, is a fine idea. Mr. Lorrain, as Joseph K., is unable to determine whether his ordeal is reality or simply a nightmare, part of an imaginary "play." He is finally

forced to accept his trial's reality while waiting to be executed at the curtain.

At times, however, Mr. Larrain's convincing portrayal is weakened by its constancy. He is almost as distraught by his original arrest for an unnamed crime as by later, more shocking developments in his search for "The Law."

Peter Evans, as the voiceluring Mr. Lorrain to the stage, the coffin-ridden advocate and finally the chaplain, who begins to explain Joseph K.'s ordeal, is cold and ominous in all three parts, conforming well to the air of the play.

Charlotte Forbes and Deborah Savadge play Joseph K.'s seductresses with frenzied if unauthentic performances in three love scenes. Their ambiguous friendliness to the harried Mr. Lorraine keeps him constantly confused.

Robert Rockwell plays several parts, including the guard who arrests Joseph K., the accused's uncle, and the deputy bank director aiming for Joseph K.'s position.

Although Mr. Rockwell does a workmanlike job arousing the audience against the unscrupulous deputy director, he uses the same voice and mannerisms in playing the guard, and severely overplays Joseph K.'s uncle, assuming vaudevillian poses and taking too much attention away from the main character.

15 Players in 40 Parts. Such faults are difficult to avoid when some 15 players must portray 40-odd characters, but Mr. Peterson uses his characters well, with closely-timed street scenes and split-second costume changes, to avert major problems arising from the small cast.

The street scenes are accompanied by Prokofiev's "Lieutenant Kije Suite," the musical tale of a Russian official attempting to cover up a minor administrative error that comes to the attention of the czar, knowing that the mistake may cause his death.

The story coincides perfectly with "The Trial," as Joseph K. must also struggle for his life against a system of law which he finds computer-like and personally meaningless.

Rick William's set and lighting are intricate and handled almost without flaw, completing a production that has surpassed a very good script.

"The Trial" is not a play one sees to amuse oneself, for it is as hard on the audience as on Joseph K. But that is what Kafka's novel and the script suggest, a fact not overlooked by the Intime show. And that is why it is not a play to miss.

week cited as "performed with awesome intensity and frequent incandescence." The experimental style explores the states of mind of a dope pusher and his client/victims.

Playhouse, Prince, Lincoln

The Thomas Crowo Affair (now playing) is an extremely effective drama. It goes far beyond the story line to delineate inclusive portraits of the major characters. There is surprisingly little dialogue. The film is a visual experience in which color, technique, star quality performances and direction convey its essence with great subtlety.

Steve McQueen is a standout as Thomas Crown, an eccentric, lonely, young Boston millionaire, who burglarizes banks as a protest against the system. He gathers together a gang of seven strangers and pulls off a successful $2½ million bank robbery.

The bank is reimbursed by the insurance company—which then calls in Faye Dunaway, it's man-eating female, to get to the bottom of the affair. Working with detective Paul Burke and an IBM selector, she concludes that McQueen is the guy. A tremendous battle of wills and personalities develops between the two.

Director Norman Jewison uses the split screen technique to great advantage: frames are split up into as many as six fragments in which there are sometimes two images, sometimes only one. The technique is extremely effective in pointing up McQueen's many-faceted personality.

Thoroughly Modern Millie (now playing). Something for just about everybody is a tall order for a picture to fill, but Ross Hunter comes close with this spoof of the gay and frivolous 1920's.

Julie Andrews gives a delightful performance as Millie, singing and dancing again. She sings the ballad, "Jimmy," in her most endearing style. Carol Channing, first and still the best to play the leading role in "Hello Dolly," sings the oldie, "Do It Again," and is shot from a cannon in a bit of slapstick the kids will like.

The cast includes comedienne Beatrice Lillie as the leader of a white slavery gang; ingenue Mary Tyler Moore, James Fox (of "Those Magnificent Men in Their Flying Machines") and John Gavin, last seen here in "Psycho" and "Back Street."

NEW STRAND

La Chinoise (Sunday thru. Saturday, August 10). Jean-Luc Godard's film is called the Marseillaise of the new French revolution. The ideological foundation of the youthful new Left in politics is embodied in this color film which Godard claims to supersede all of his previous work.

"La Chinoise" is an account of a few brief episodes in the life and death of a Maoist cell. With vivid visual symbols, Godard illustrates youth's total rejection of the middle class and the entrenched Left, the sincere radicals, the dedicated Marxists and the Algerian independence fighters who are now too old and too worn out to understand the changing times.

SUMMER-TIME SPOOF: Julie Andrews and friends take a nostalgic look at the frivolous '20s in "Thoroughly Modern Millie," now at the Garden and Brunswick theatres.

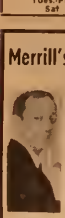
Merrill's Toy Corner



Merrill Zinder

This week I would like to recommend three related items to keep the children occupied in the outdoors for those fortunate enough to have trees in their backyards. One, a climbing rope with spaced wooden knobs, for the child's hands and feet. Second, what some people call a monkey swing, a length of rope through a circular wooden seat which can swing in any direction, and, third, a rope ladder with wooden cross bars. All three are extremely sturdy and well made. Recommended ages: 3 to 12, depending on adult supervision.

lenced to three years in state prison. The jail sentence was suspended. Solotorovsky had pleaded guilty to two charges of possession of narcotics.

In addition, Solotorovsky was placed on probation for five years with the stipulation that he undergo psychiatric treatment.

I-95 BATTLE CONTINUES

Hopewell Votes to Appeal. If and when the present alignment of Interstate Route 95 through Hopewell Township finally converted from a line on a map to asphalt it won't be for lack of fight on Hopewell's part.

Determined to exhaust every avenue of appeal before it is forced to give up several hundred acres of land to the new superhighway and its accompanying interchanges, the township committee has voted to continue the present court battle.

Four weeks ago Hopewell, together with Franklin and Piscataway townships, which are also in the battle, lost the first round when the route was upheld in Superior Court. Last Thursday the committee voted, 4-0, to appeal the decision to the state Supreme Court.

The cost of the appeal, shared by the three townships, will be in the neighborhood of $2,500 for Hopewell. The township would like to see the alignment moved far away from its borders, over to West Windsor Township parallel to the Penn Central Railroad tracks and Route 1. This route was considered almost a decade ago by the state.

Committeeman Donald Woodward said that he felt the chances of obtaining a reversal in the courts were small, and that it would be wiser for the township to start bargaining to get the most out of the high way such as the best location for the interchanges.

SQUIBB WINS ONE SUIT

Two Others Still Pending. One of three suits filed in connection with the proposed move of E.R. Squibb & Sons to the 213-acre site in Lawrence Township has been settled in favor of the pharmaceutical firm. A decision on suits brought by the North Lawrence Citizen's Association and Princeton Township is expected next week.

Last Friday Superior Court Judge George H. Barlow threw out a suit brought in December by two Lawrence residents, John W. Agar, Carson Road and Julian Meyenhan, Route 206, against the township's zoning board. The suit argued that the board lacked the jurisdiction last September to decide on Squibb's special exemption application to locate in a Rural A zone, because earlier litigation was then already pending in Superior Court.

It also charged that at least one resident living within 200 feet of the Squibb site had been "improperly" served notice of the application and that a preceeding planning board meeting, at which planning approval was granted, was not "regularly scheduled."

Lawrence zoning board attorney Joseph L. Stonaker was granted a summary judgement in the matter by Judge Barlow, who sustained Mr. Stonaker's motion. It said that no factual matters were at issue in the case and that Squibb was entitled to the special permit as a matter of law.

Judge Barlow has already ruled on two phases of the Princeton Township NCLA case, dismissing conflict of interest charges against two Lawrence committeemen and alleged improper procedure used by the township committee and planning board during adoption of the ordinance. The basic issue, the validity of the ordinance, itself, is all that remains.

Adopted last July after a series of heated meetings involving many residents, the ordinance permits profit-making research firms to locate in Lawrence's Rural A zone.

DRIVER IS CHARGED With Marijuana Possession. Harry R. Barclay, 24, of Maplewood, has been charged with possession of marijuana by Township police.

Detective Norman Servis and Ptl. Samuel Bianco stopped Mr. Barclay's car Saturday morning at 10:14 on Route 206 near Bayard Lane. They allegedly uncovered the marijuana in the car during a routine check.

In addition to the narcotics charge, police charged Mr. Barclay with two motor vehicle violations — using fictitious plates and driving an unregistered car. He was arraigned at noon the same day before former magistrate Louis R. Gerber and held in $1,000 bail for action by a grand jury. Later, Mr. Barclay posted bail and was released.

Police said that four companions, all from Freehold, were in the car with Mr. Barclay. No charges were made against them.

MAN FINED THREE TIMES

In Traffic Court. John Glykas, 23, 10 Spring Street, paid three fines in Borough Court Monday for traffic violations.

Magistrate Theodore T. Tams Jr. fined Mr. Glykas $30 for leaving the scene of an accident, $20 for being an unlicensed driver and $12 for failing to observe a stop sign. He pleaded guilty to all three.

JENSEN SCHOLARSHIP WINNER. Stephan Raleigh, center, receives a $300 check from YMCA president A. C. Reeves Hicks, representing the annual Alan Jensen Memorial Radio Scholarship. A graduate of Princeton High School entering the Cornell University Engineering School in the fall, Stephan was on the honor roll and designated a National Merit Scholar. He has been president of the Y Radio Club for two years. Also present is Stephan's father, Charles Raleigh.

Housing Shortage

Seven-year old Eric Hoover can do better than people with ants in their pants — he's got birds in his —com plete with a nest.

However, Eric isn't wearing the pants any more, not since his mother, Mrs. John L. Hoover, 661 Mount Lucas Road, washed and hung them out to dry about a month ago. A pair of wrens soon found the sawed-off dungarees to their liking, moved in and built a nest in one pant leg.

A couple of weeks later, three baby wrens appeared, and now Eric won't be getting his pants back until they learn to fly. As two other birdhouses in the Hoover's yard were occupied, Eric is happy to give up his pants for a while to help ease the housing shortage.

IF YOU NEED HELP

Use Police Call Box. The Borough has 29 fire alarm boxes sprinkled throughout its area of less than two square miles and one at the police office on the Princeton University Campus.

They are used to call in fire alarms but they can also be used to call police for help. Inside each box is a telephone. By simply lifting it off its book, the caller is connected directly to the deskman at police headquarters.

The boxes are for use by private citizens as well as the police. "One of the first things we teach children when they come in here on trips," said Lt. Michael Carnevale, "is how to use the call boxes." The boxes are painted red and have lettered on the outside in yellow: Use to report FIRE, to call police.

What promoted a discussion on the public use of the call boxes was a report by Lt. Carnevale last week at a press meeting that there had been three incidents last week involving a youth riding on a bicycle in the central business district who reached out and molested women as he rode by.

In each case, Lt. Carnevale reported, had the victim used a nearby call box the police might have succeeded in apprehending the youth. He reported it is often possible to have a policeman on the scene in less than a minute after a call is received.

As it was, in each case the victim waited until she got home to notify the police. "The boxes are there for the public to use," commented Lt. Carnevale. "The people don't realize the tremendous amount of police protection that is available to them if they will use it," he said.

In the central business area, call boxes are located at the intersections of Vandeventer and Nassau, Nassau and Witherspoon, Nassau and University Place, and slightly farther away at Witherspoon and Wiggins, Nassau and Charlton, Nassau and Harrison, Nassau and Murray, University Place and Dickinson, and John and Green. A complete list of all call boxes may be obtained from police at Borough Hall.

Obituaries

Dr. Charles H. Smith

Dr. Charles H. Smith, 92, who proved early in his career as a pediatrician that it was healthy for babies to burp them after feeding, died July 26 at his home, 360 Ridgeview Road.

It was in 1915 that Dr. Smith, then teaching pediatrics at Columbia University's College of Physicians and Surgeons, used X-rays to show that infants should sit up and be burped after meals. Prevailing theory at the time was that it was healthier for them to be kept horizontal.

Last May, Dr. Smith was the subject of an article in TOWN TOPICS which told of his preparation of a leaflet entitled "Princeton's War on Harmful Plants." Copies were sent by the Township Board of Health to every taxpayer, providing them with information on how to identify poison ivy and how to pull up ragweed. Dr. Smith said at the time, "I figure I have one more crusade left in me."

A native of Milwaukee, Dr. Smith graduated from Cornell in 1897 and finished first in his class at the College of Physicians and Surgeons in 1901. He taught at Columbia for 27 years, simultaneously serving Bellevue Hospital, and then headed the department of pediatrics at NYU. He also maintained a private practice in New York.

Although he retired in 1912, he spent the World War II years in New Brunswick assuming the practice of doctors who were overseas. Thereafter he lived in Princeton, enjoying gardening and painting as his hobbies. Throughout his career, he was a frequent contributor to medical journals in the field of pediatrics.

His wife, the former Grace E. Wales, died in 1942. He is the father of Dr. Dewitt H. Smith of Drakes Corner Road, and is also survived by nine grandchildren and seven great-grandchildren.

A private service was held, under direction of the Mather Funeral Home.

Carl F. Von Nordheim, 87, of 37 Laurel Avenue, Kingston, died July 25 in Princeton Hospital after a brief illness. Born in Dedham, Mass., he had lived in Kingston since 1926.

Mr. Von Nordheim was a linotype operator, working for the Princeton University Press for two decades and from 1946 to 1951 for the Princeton Herald. He organized the Carnegie Sailing Club, serving as its first commodore. A former member of the Princeton Shrine Club, he belonged to the Kingston Volunteer Fire Co., Princeton Lodge 38, F & AM, and the Scottish Rite.

He is survived by his wife, Nina Hauer Von Nordheim; a daughter, Mrs. John Drago of Miami, Fla., a sister in Germany, four grandchildren and a great-grandchild.

A graveside service was held in Kingston Cemetery, the Rev. Reuell Kaigthn of Trinity Episcopal Church, officiating. Arrangements were under direction of the Kimble Funeral Home.

Mrs. Ella L. Baynard, 43, died at Princeton Hospital on July 25 after a brief illness. Born in Denton, Md., she had been a Princeton resident for 21 years, living with a cousin, Mrs. Frederick B. Goldsborough, at 96 Einstein Drive.

Employed as a housekeeper by Ricardo A. Mestres, vice-president of Princeton University, at his summer home in Bay Head, she had driven to Princeton the morning of the day she died. She had worked in the past also for Mrs. Arthur H. Osborn of Princeton and in the pediatrics department of the Hospital.

A graduate of the Philadelphia School of Practical Nursing and of the School of Business Machines in Trenton, Mrs. Baynard was a member of Mt. Pisgah AME Church, serving it in various capacities. She was also a member of the Trenton - Princeton Ushers Council.

Mrs. Baynard was a member of Rising Sun Temple 119, Daughter Elks IBPOE of W; Trinity Past Daughter Rulers Council 20, Past Daughter Rulers Club of Princeton, New Jersey State Association of Elks Auxiliary, Nassau Court 6, Court of Calanthe, and the Royalettes Club.

She is survived by a son, James; a brother, Eldridge; two aunts and several nieces and nephews. The funeral was held at Mt. Pisgah Church, the Rev. Marion F. Stokes officiating. Burial was in Princeton Cemetery.

Mrs. Tessie Peiser, 78, widow of Jacob P. Peiser, died July 23 in Foothill Acres Nursing Home.

Born in Latvia, and a New York City resident for more than 60 years, Mrs. Peiser lived for the past two years with her daughter, Mrs. Harriet Feldman of Princeton.

Also surviving are a son, Joseph Peiser of Miami, Fla.; eight grandchildren and two sisters, Mrs. Rose Goldberg and Mrs. Frieda Appel, both of New York.

The service was held at "Riverside" in New York. Interment was in the new Montefiore Cemetery, Pine Lawn, L.I. Arrangements were made by the Kimble Funeral Home.

Mrs. Helen M. Simpson, 74, of Elm Ridge Road, died July 25. She was a former resident of East Orange.

Mrs. Simpson is survived by a daughter, Mrs. Thomas H. Moran, with whom she lived, and a sister, Mrs. Gertrude Lord of East Orange.

The service was held at a Pennington funeral home, followed by a requiem mass at St. James Church, Pennington. Burial was in St. Mary's Cemetery, Trenton.

Mrs. Rebecca V. Bush, 85, of Lincon Highway, Little Rocky Hill, died July 25 in St. Peter's Hospital, New Brunswick. Born in Zion, she had lived in Little Rocky Hill for 30 years.

Widow of Martin E. Bush, she is survied by a daughter, Mrs. Mary Smith of Somerville; four sons, Frank of Little Rocky Hill; Garett and Oscar of Skillman and Robert of St. Petersburg, Fla., a brother, William Wyckoff, and a sister, Mrs. Ada Decker, both of Princeton; 25 grandchildren

Unwanted Exercise.

To the Editor of Town Topics:

This is a personal plea, but it might serve as a gentle reminder to all of us on the subject of littering.

We live on the corner of Harrison and Hamilton at the traffic light. Nearly everyone drives by our house at one time or other . . . to the shopping center, toward Nassau Street, etc.

Every night I go out and pick up at least 20 cigarette butts, assorted gumwrappers, an occasional sticky Dairy Queen cup . . . name it.

If I happen to be stopped at the light when at the corner and I see a driver throw something out, I always speak. It is amazing how surprised they are at themselves for doing it!

To retain my sense of humor, I say I am going out to get my exercise for the day when I do the clean-up chore. Please . . . I had rather jump rope or do push-ups!

Suggestions for Pool Use.

To the Editor of Town Topics:

The following is a copy of a letter which I have sent to the Princeton Recreation Board.

VIVIAN F. CARLIN
(Mrs. Benson Carlin)
228 Terhune Road

NOTICE

TOWN TOPICS will make every effort, based on space limitations, to publish up to 500 words of any letter on a subject directly affecting the Princeton area. Because of the volume of news which must be covered in the community level, letters on topics of a national or international nature cannot be considered.

Letters to Mailbox should be typewritten if possible, double-spaced, and must be signed for publication. Those received later than Monday afternoon may be held for use the following week.

"Thank you for the opportunity to present my suggestions for improving the Princeton Community Pool, at the Recreation Board meeting in July. Toward any misunderstanding, I thought it adviseable to put these in writing.

1) "I believe that a Citizens Advisory Committee, representative of the entire community, should be appointed so that improvements can be carefully weighed and a report presented to the Recreation Board by the end of this year.

I understand that you are considering having such a committee. In order to be effective, it should be appointed by the end of this summer.

2) "I urge the elimination of the free swim periods, since this creates two classes of citizens. It is discriminatory against the lower socio-economic families. Those who cannot afford pool memberships are barred from using the pool during the afternoon hours, the most desirable time for swimming.

In place of the free swims, I suggest a system whereby those who cannot afford it, can obtain pool memberships directly from the Recreation Department, without payment (and without first applying to welfare) by sending home notices through the schools, the churches, etc. Under this system, the program would not be merely a token, such as it is now, with only 15 families participating.

3) "I feel that the fee schedule is too high. At the end of this swimming season, pool costs and receipts should be re evaluated to consider fee reductions.

"I have two additional suggestions:

1) "The pool should remain open all week and not be closed on Monday. It is not necessary to close the pool a full day to clean it. In many other communities, cleaning is done before the pool opens. If it is a question of a slight additional cost, the elimination of the free swim period should offset it.

2) "There should be some provision made for family members and other guests who are living with Princeton residents during the summer months. A special weekly, and, or, monthly fee could be designated so that house guests do not have to pay the high daily rates.

"I realize that this is only the second year of operation and therefore the pool is going through its growing pains. I feel the Princeton Pool is very attractive and an asset to the community. I have the utmost confidence that as a responsible board, you will want to make this facility even better."

Suggestion Seconded.

To the Editor of Town Topics:

May I most heartily endorse the suggestion of Mrs. James P. Kelley in her letter to TOWN TOPICS of July 25 that Jeanne (Mrs. A. C.) Graves be considered for nomination as a TOWN TOPICS distinguished "Woman of the Week".

She is truly a tireless and dedicated friend and worker for animals. We in Princeton are fortunate to have her, here in Princeton, taking care of our lost and abandoned animals.

I am sure that many, many people in Princeton would vote "yes" for Jeanne as "Woman of the Week" and her story is an enchanting one.

PEOPLE *In The News*

Dr. William S. Dix, librarian of Princeton University, is the president-elect of the American Library Association (ALA), the highest professional honor accorded to a librarian in this country. Presently the first vice-president of the 35,000 member group, he will succeed **Roger H. McDonough**, another Princeton resident, director of the division of the state library, archives and history, in a year.

Dr. Dix, 57, became Princeton's librarian in 1953. He is a Phi Beta Kappa graduate of the University of Virginia and holds a doctorate from the University of Chicago. Before coming to Princeton, he served on the faculties of Harvard, William & Western Reserve and Rice.

The former chairman of the U.S. National Commission for UNESCO served on the commission for six years and twice was a member of U.S. delegations to UNESCO general conferences. He is past chairman of the Association of Research Libraries, former director of the Association of College and Research Libraries and has chaired ALA committees on intellectual freedom and international relations.

Jeffrey E. Fried, son of Mr. and Mrs. Simon Fried, 34 Howe Circle, is attending Army Reserve Officers' Training Corps summer camp, receiving six week of training at Indiantown Gap Military Reservation, Annville, Pa. He is a student at the University of Pennsylvania.

Louise D. Leonihan, daughter of Mr. and Mrs. Dunning Leonihan, Ardmore, Pa., former Princeton residents, has been named to the dean's list at Briarcliff College. She has just completed her sophomore year as a liberal arts major.

Princeton residents on the dean's list at the Rutgers University evening division include **Mrs. Mary C. Banks**, 226A Harrison Street, **Mrs. Esther Fried**, 34 Howe Circle, **Mrs. Dolores N. Heiberger**, 100 Longview Drive, **U. Herbert Hoepner**, 111 Jefferson Road, **Peter J. Neff**, Old Georgetown Road, **Mrs. Barbara S. Peskin**, 79 Meadowbrook Drive, and **Ingrid E. ANALYZE HITTING COLLAPSE: At one point this summer, the American League did not have a single batter hitting over .300 — the first time in more than 60 years. Why has the hitting suffered? Mike Pilenza (left) and Joe Sweeney each offer a number of reasons. (Staff Photo)

Question Of The Week

Question: What do you think are the reasons for the decline in hitting in the major leagues this year?

Where asked: Around town.

Joe Sweeney, 54 Cedar Lane, student, Georgetown University: I feel the emphasis is on pitching today and possibly in spring training the batters may not be working as hard. I think, proportionately, the caliber of the pitching is advancing faster than hitting. I think also the fact that they haven't been enforcing the ban on the spitball and other illegal pitches. To the extent that they are not enforcing this might be a factor. Also, the season is longer, there is more travel. I think this takes more out of the hitters than the pitchers.

Mike Pilenza, 305 Hamilon Avenue, student, University of Tampa: The game today emphasizes the home run. The guys getting the money are the ones who can hit the long ball. Guys like Gene Scott are going for the fences all the time and it hurts their hitting. Another thing is night baseball. There's so much more of it today. It's hard for the batters to pick up the ball. Also, more and more hitters are going for the light, skinny bat — you can move it fast with your wrist, but the heavy bats with the thick handle produce the hits. Plus, the slider pitch is really killing the batters.

John Katz, Pennington, student, Ursinus College: Partly, I think it's because all the hitters are trying for the home run and using lighter bats. Some guy from the Louisville Bat Company made a study of this and found when you use a lighter bat you don't hit as well — in most cases. I guess another factor is that the pitchers are a lot better than they were.

Jeff Haring, 6 Piedmont Drive, Princeton Junction, PHS junior: For one thing, every team today has a pretty solid, top four pitching staff. Another big thing is that each team is much better defensively. Like Ted Williams said, a lot of hits be used to beat out aren't being beat out anymore. Shortstops like Kessinger and Allen will come up with balls hit in the hole and throw the guy out. Also, I don't think hitters work as hard perfecting their hitting as they did before. Now, a lot of coaches put more emphasis on defense and not as much on hitting.

Jake Bartolino, Trenton, employee, Pr. Music Center: It's pitching, definitely. First, the pitchers are younger, stronger. They work more often. Not many years ago a guy used to want to go nine innings. Today a manager says throw as hard and long as you can. He's got two or three relief pitchers waiting to go in. Pitchers used to mature when they were 27, 28 years old. Now they mature when they're 20 and 21. They're stronger, too. They're overpowering the hitters. But you can't say it's all pitching. I don't think the batters are taking the game as seriously as they should.

Al Ross, Rocky Hill, proprietor of service station, 245 Nassau Street: Well, most of my guys in the National League still seem to be doing all right but I'll tell you what's happened in the American League: too many young pitchers coming up. The hitters can't see the ball. The pitchers have too much stuff. Willie Mays said it himself the other day, "The old guys are going to have to step back." Mickey Mantle . . . all the other guys are not hitting like they once did. Look at the All-Star game. No hitting, all pitching.

Jerry DePerry, Pawcatuck, Conn., high school student: I think it's the younger pitchers. They have more speed, more control. And they start earlier.

Raymond M. Sloot, 19 Houghton Avenue, Trenton, plumber: I think it's mainly on account of the pitching. I think they should go back to the old style. It used to be the strike zone was at chest level — a cross the letters. Now it's up to the shoulders. They've enlarged it too much. They've made it a lot easier for the pitcher and harder for the batter.

Gene Scudder, 261 John Street, employee, Lawrenceville School: I think a lot of it's due to tension. I read in the papers the other day where if things don't go right for some players, if they're having trouble with the manager or something like that, they lay back. They hit only when they're feeling good and there's no pressure. They're too temperamental. I also feel a lot of the good hitters are in extra long slumps. On my team, the Mets, Sloboda and Cleon Jones weren't hitting but now they are.

The Old Timers' Viewpoint

A line on what baseball players of more robust hitting days think of the current anemic averages was given in Robert Lipsyte's column in Monday's New York Times.

Asked what he would hit in the game as it is played today, an Old Timer who had compiled one of the top averages of his era replied, "Oh, about .320."

"Is that all?" he was asked.

"Hell, man, I'm 75 years old."

HALFWAY MARK REACHED In Summer Basketball League. Summer basketball has had a renaissance in Princeton.

After a lapse of two years, it has been reorganized as the Princeton YMCA Summer Basketball League. The five teams, each with a 12-man roster, have reached the halfway mark in a 12-game schedule. Each week, a double-header is played at the new court behind the YMCA building on Thursday and Sunday evenings, starting at 6.

The five teams, with their coaches, are James Young's Jets, Pete Young's Panthers, Lloyd Banks' Bombers, Tom Smith's Stars and Ed Riddick's Raiders. The Jets are presently on top with a 5-1 record, followed by the Panthers (4-2) and the Bombers (3-2).

At the end of the regular season, there will be a one-game playoff on August 22 between the second and third-place teams for the right to meet the first place team for the championship. That will be a best of three series.

Community Project. The new court is the result of community-minded collaboration. The YMCA installed the baskets; Princeton University provided the bleachers; Public Service erected the poles and lights; and the Borough blacktopped the surface.

Arch Freeman, Princeton High School freshman basketball coach who serves as commissioner of the summer league, reported that it has been promised two more lights in addition to the two it has now. "When they are added," he said, "we will be able to play night games." Assisting Arch as an advisor is John Springer, director of physical education at the Y.

Waiting List. From the original pool of 45 players, the league has expanded to 60 with 12 on each team. Freeman reported that so many others have shown an interest that a waiting list has been formed to fill vacancies as they occur.

The teams are comprised mainly of former high school players from Princeton and Trenton, although a few are present members of the PHS team. "We allow no more than two high school players on any one team," commented Freeman, who added: "We guard their amateur standing very carefully. No professionals are allowed."

Followers of roundball will recognize many past standouts who excelled for former PHS coach Tony Borzok or for Borzok's counterpart in Trenton, Fred Price. Of the top five individual scorers to date, three are former PHS stars.

On top is Willie Hill who has hit for 117 points in five games and a 23.6 average. Behind him is George Tucker, who personally accounted for 37 percent of all the points scored by the 1961-62 PHS team which won 16 of 19 that season. Tucker has 116 points for a 23.2 mark.

Ed McEwen Is Fourth. Third is John Bailey, who led South Brunswick High School to the New Jersey Group 1 championship last year. He has 100 points in six games for a 16.7 average. Ed McEwen (99 points — 19.8 average) has shown he can still swish those running outside jumpers just as he did so well a few years ago when he was a fine backcourt man for the Little Tigers. Hightstown's Gerry Gunnell, a 6-4 standout at Delaware State, is fifth with 96 points and a 19.2 average. According to Freeman, as many as 200 spectators come to watch the players in action.

For an exercise in recall, here are the names of the players on each team. How many former stars can you recognize?

Jets: Norman Starks, George Hopkins, William Streater, Bill Turner, Fletcher McNeil, Jeff Haring, Richard Silvis, Reggie Swain, Ray Holman, Edward Jones, Jon Lindjord. **Panthers:** George Tucker, John Bailey, John Young, Gene McKnight, Larry Madden, Bill Brooks, Paul Williams, Tony Dennis, Richard Salter, Tony Reed, John Black.

Bombers: Len Carmichael, Art Duncan, James Greene, Gerry Gunnell, Bucky Melvin, John Cardwell, Ed McEwen, Wes Richardson, Colin Leitch, Mark Rosenwald, Jon Katz, Pete Alford. **Stars:** John Dixon, John Madden, Sandy Smith, Robert Johnson, Eddie Butler, Bill Cusamano, Leighton Newlin, Kenny Samuels, Sam Lowe, Dorian Gilmer, Gene Brunskin. **Raiders:** Willie Hill, Jerry Witherspoon, Robert Hollingshead, Allan Coakley, Roger Madden, Jim Taliaferro, Ronald McEwen, Keith Carter, Herman Cox, Lee McAllister, Keith Lawder.

Games Thursday evening will pit the Jets against the Stars and the Panthers against the Bombers. On Sunday, it's the Raiders vs. Bombers and Jets vs. Panthers. Games postponed by rain are played the following Monday at the originally scheduled time.

RAIDERS SCORE UPSET

In Summer Basketball League. An eyebrow-raising 107 to 86 upset of the Panthers by the Raiders Sunday evening highlighted play last week in the Summer Basketball League.

From a 48-47 halftime score, the Raiders shocked the Panthers who had won their last four in a row, with a steady flow of outside shots by Jerry Witherspoon and Willie Hill. Witherspoon had 28 of his 34 points and Hill had 13 of his 23 in the second half. Hill, former PHS player, "is the league's leading scorer with 157 points and a 22.4 average for seven games.

The Panthers were hurt when high-scoring George Tucker failed to arrive until five minutes were left to play. Tucker, second in scoring in the league before the contest, collected four points and dropped to fifth place among the offensive leaders. He has 120 points.

Taking up the slack were John Black, 21 points, and PHS varsity player, Billy Brooks. "Brooks," commented Arch Freeman, league commissioner, "shoots about as well as anybody his age I've seen."

The 107 points run up by the Raiders, smallest team in the league, topped the previous high mark of 100. The Raiders are now 3-4 and the Panthers, 4-3.

In the other hall of Sunday's double header played at the new court behind the YMCA building, the Bombers had too many guns for the last-place Stars, winning easily, 87 to 67.

The Bombers' Mutt and Jeff tandem of Gerry Gunnell and Ed McEwen accounted for the bulk of the victors' points. Gunnell, second in the league in scoring with 145 points, made 23, while McEwen, at 5-8, eight inches shorter than Gunnell, added 28. Another former PHS standout, McEwen is third in the league in scoring, one point behind Gunnell with 144 in seven games.

The playmaker for the Bombers, Ed atones for his size by hitting consistently on one-handed jumpers from the outside. He also excells on the fast break and never stops hustling.

The Stars helped defeat themselves by repeatedly losing the ball in the back court. John Dixon, their 6-5 center, accounted for nearly half of his team's output by pumping in 31 points.

Jets Roll On. Thursday, the overall balance of the first-place Jets was too much for the Bombers, who went down in a hard-fought contest, 91-84. It was 38-32 at the half.

In the second half, George Hopkins took the Bombers apart with a 25-point outburst. He finished with 33. Hopkins was aided most by the Jets big center, Fletcher McNeil, who added 21.

Gunnell and McEwen scored 26 and 17 points for the Bombers, who lost their bid to overhaul the Jets.

In a battle to stay out of the cellar, the Raiders topped the Stars, 72-66, mainly on the accurate outside shooting of Witherspoon and Hill. Witherspoon had 22 points — he is fourth in the league in scoring with 125 points and a 17.9 average — and Hill, 16.

Some fine rebounding by John Dixon enabled the stars to stay in the game. Dixon was high for the losers with 24. Johnny Madden, high scorer for the Little Tigers last season, had 16.

The standings

	W.	L.	Pct.
Jets	6	1	.857
Panthers	4	3	.571
Bombers	4	3	.571
Raiders	3	4	.429
Stars	1	7	.143

1 AND 3 WIDEN LEAD

In PBA League. Both Engine Co. No. 3 and Engine Co. No. 1 won a pair of games last week to pull away from the other six teams in the PBA Baseball League. No. 3 is 8-1 while No. 1 is a half-game behind at 8-2.

Mike Barren (4-1) tossed a five-hitter as No. 3 edged Post 76, 4-3. Barren also opened the final innning with a single and came home with the winning run on Kevin Smith's double—one of nine hits by No. 3 off losing pitcher Steve O'Neil. Andy Pogorzelski drove in No. 3's first two runs with a triple.

John Mooney kept his record unsullied, pitching No. 3 to a 7-0 shutout over Roma Eterna. Mooney almost did it all himself. He struck out 16, gave up just two hits and touched his counterpart, Steve Howell, for three hits. Triples by Jamie Petrone and Kevin Smith accounted for five of No. 3's seven runs.

Howell fanned 13 but gave up 10 hits.

No. 1, which scored 42 runs in two games last week, continues its assault at the plate, cannonading cellar-dwelling Eterna, 29-3, and Italian-American Sportsmen, 18-3. Twenty-nine hits plus nine errors by its opponents were the cornerstones of the Eterna rout as Mike Diamond and Dave Harwood, who pitched the first three innings of no-hit ball, each had five hits.

Ron Campbell, Bobby Silverman, Larry Howell and Kevin Murphy combined for 11 more. Campbell, Harwood's reliever, struck out six in a row at one point. Bob Jackson was charged with the loss.

Alert baserunning coupled with singles by Bobby Speagle and Mike Diamond and Don Campbell's double powered No. 1 to a quick 4-0 lead in the first against the Sportsmen. For all intents and purposes the game was over right there. No. 1 added six more in the second and—getting progressively better—eight more in the fourth before the game was halted with one out in the sixth.

Daren Perone had two of the losers' five hits. Diamond and Bobby Speagle shared the mound duties for No. 1, striking out nine. They benefited from some fine defensive plays from nine-year-old second baseman Jimmy LaPlaca. Again, Speagle, Harwood, Diamond and Bob Silverman—10 hits in all—led the attack for No. 1.

Eagles' Clipped, 21-6. Taking a page from No. 1's book, the Sportsmen flattened the Eagles, 21-6, most of their runs coming in the third and sixth innings when they scored 15 runs. Pat Kahny struck out nine in upping his record to 2-1. The Sportsmen's first two runs in the second inning came

on a triple by John Savoye. Ten Eagle errors made things easy for the Sportsmen.

Next, the Eagles ran into Hook & Ladder's Brian Smith who tossed a one-hitter at them, winning, 7-2. Dan Delvecchio opened the game with a triple for the Eagles' only hit. Losing pitcher George Reynolds (eight strikeouts) yielded only four hits but the winners managed to bunch three of them by Andy Bolster, Steve Kopp and Tony Farrera in a 5-run second inning. Smith's record is 2-1.

The Elks won their first game of the season, an upset 9-4 victory over Hook & Ladder which virtually eliminated H & L from the pennant race. Corey Reef and Tim Moran connected for extra-base hits and Tommy LaPlaca added a pair of singles for the Elks. Greg Christiansen got the win.

Finding winning to their liking, the Elks then squeaked by Eterna, 9-8. Bud Klieber and Tim Moran sharing the pitching. Paul Moravec had two Elk hits. For Eterna, Lou DiFalco, Tony Toto and Bob Jackson each had two hits.

PARMENTER FANS 15

In YMCA Triumph. Dave Parmenter struck out 15 and second baseman Jeff Bannon was 2 for 4 with 2 RBI's last week as the Princeton YM All-Stars defeated the Huntington, L. I., All-Stars, 6-2, under the lights at Huntington.

Breaking the league strikeout record, Parmenter walked three and gave up only three singles, backed up by Bannon and shortstop Breezey Bocanfuso, who also drove in two runs.

In two other weekend games, the All-Stars dropped a 6-5 decision to Brown's Mills at Pemberton, and were tripped, 6-2, by the Montgomery Self-Starters. Bannon went 3-for-3 with two triples while rightfielder Jackie Petrone walloped an inside-the-park home run against Brown's Mills. The game was called by darkness with Princeton threatening.

A return game with Montgomery is set for Saturday at 2 p.m. on the Princeton High School field.

MEUSEL SETS RECORD

In 100-Meter Freestyle. Bob Meusel of Princeton Pike broke the New Jersey record — his own — for the 100-meter freestyle Thursday when he qualified for the N. J. Junior Olympics at at meet in Cranford. His new record of 57.5 for boys 15 to 17 is six-tenths of a second faster than his old mark.

In the same race, Dan Golden of Princeton placed second with a time of 59.7. The two will compete in the finals to be held August 17-18.

In addition, eight other individual swimmers and two relays teams have qualified for the state finals in meets at Cranford and Sea Bright. They are Kris Reeves, 2d in 50-meter breastrkoke for girls 10 and under; Chuck Hector and Andy Bolster, 2d and 3d, 50 meter freestyle for boys 11-12; Martha Lasley and Carrie Bolster, 2d and 6th in 100-meter freestyle for girls 13 and 14; Dede O'Hara, 2d in 50-meter freestyle for girls 10 and under; Dede Henneman, 3d in 100-meter butterfly for girls 11-12; and Margaret Martin, 4th in 100-meter breastroke for girls 13-14.

Relay teams that qualified are comprised of Maura Dorgan, Margaret Jillson, Dede Henneman and Cathy Krauss, medley 200-meter relay for girls 11-12, and the 200-meter medley team of boys 11-12. The latter includes Chuch Hector, Andy Bolster, David Mancino and Mike Reock.

To date, with two qualifying meets remaining, 22 individual Princeton swimmers have reached the finals, as well as five relay teams. To qualify, one must place sixth or higher in his heat.

Bill Crell won first place in a senior men's open 100-meter breastroke race at an AAU meet Saturday at New Providence. His time was 1:21.0. Two years ago, he set the state record for the same distance for boys 13-14.

WILL'S TAKES TITLE

In West Windsor Baseball. Walt Dimitruk tossed a two-hit shutout against the Lions Club last week to clinch the second-half title in the West Windsor Babe Ruth League for Will's Shell, as the first-half champions became the season pennant winner without a playoff game.

Dave Froelich and Mark Ellsworth led the Will's hitting attack in the 8-0 win with two singles apiece, and Dimitruk helped his own cause with a double. Dave Mansue and Denis Clark both singled for the Lions' only hits.

Earlier in the week, Will's rallied in the seventh for a 5-4 victory over MacKenzie Realty. Trailing 4-2 in the last frame, Will's rallied for three runs, with Jeff Wetterling's single making Doug Everett the winning pitcher.

In the only other game of the week, Joe Kavanaugh pitched a three-hit, 15-2 win for MacKenzie over Lucar Hardware. Bill Wilson, Kim Coleman, Gary Wortleman and Ron Tindall led the MacKenzie attack with two singles each.

DUNHAMS DEFEATED

and several great-grandchildren.

The service was held at the Kimble Funeral Home, the Rev. Douglas J. Kersey of the Methodist Church officiating. Burial was in Blawenburg Cemetery.

Mrs. Julia B. Olden, 85, a former resident of Princeton, died July 26 in Wake Forest, N. C. She was the wife of the late Walter H. Olden.

Born in Philadelphia, Mrs. Olden had also lived in Buffalo, N. Y. She was an alumna of Wilson College.

In Princeton, she was a member of The Daughters of the American Revolution, The Present Day Club and the Province Line Club. A daughter, four sons and several grandchildren survive. Arrangements were made by the Mather Funeral Home, with interment at the Quaker Burial Ground at the convenience of the family.

rallied from a 3-5 deficit in the first set to win the next four games and the match, 7-5. They then went on to win the second set, 6-3.

The Y's mixed doubles tourney is now in progress. According to John Springer, director of physical education at the Y, 16 teams are vying for the championship.

RED TOPS NAVY

To Tie for Lacrosse Lead. Red won the game it had to last week in the Summer Lacrosse League, defeating previously unbeaten Navy, 9-6. As a result, both are tied for the league lead with 3-1 marks.

Phil Allen and Gordon Hart were the big guns for Red, Allen scoring five times and Hart, three. Bob Fine tallied once. Hart also was credited with three assists and Fine one.

Dave Leete scored three goals for the losers, who trailed 8-5 at the half. Dave Liedermann added a pair and Sabin Snow, one. Liederman, Jim Wharton and Fred Fox had single assists.

Outscoring Blue, 3-0, in the first period, Green went on to win a 6-3 decision. Bryce Chase and Bill Douwes had two goals each for Green; Jay Baruch and Bob McInnis, one each.

Bill Hufham, Matt Alexander and Bill Dentell accounted for Blue's three goals.

In a non-league game played Sunday at Elizabeth, Princeton lost 10-9 to Elizabeth. Elizabeth scored eight of its goals in the first and third periods, while Princeton made three each in the second, third and fourth periods.

RCA A, ASTRO READY

For Key Game Thursday. RCA A and RCA Astro will meet Thursday night in a game, which will most likely decide the regular season champion in the western division of the Business Softball League. Barring an upset, both teams should go into the contest with 11-1 records.

In the eastern division, McGraw-Hill, Accelerator and RCA B all won again last week to remain 1-2-3 in the standings. McGraw-Hill walloped ORC, 22-3, led by Ange Vasti's four hits and Tom Griel's three safeties. Don Rugg collected three hits for ORC.

Leading 2-1 in the fourth, Accelerator pushed across three runs and went on to defeat NCA, 8-2. Brady Lawrence drove in two with a bases loaded single and Jack Barlow's hit accounted for the other tally. John Rzuczek clouted a home run with one on, and Tom Wunderlich had a triple and a single.

A five for five performance by Ed Kreiger, who is eight for eight over two games and batting .654 on the season, sparked RCA B to a 18-9 triumph over EMR. Tom Connelly, Ron Benietech and Al Perna all had three hits for the winners, while Pete Papryzchi had three for EMR.

Fighting for a spot in the playoffs, Columbian Carbon broke a two-game losing streak with a 6-4 victory over Shell Chemical. Charlie Armenti had three safeties good for three RBIs, and Bob Lewis, Tom Edgar and Hank Kuester contributed two hits each.

A 9-6 win over American Cyanamid enabled Dow Jones to climb back up to the .500 mark for the season. Santo Pruscione, Frank Panella and Dick Gillespie supported winning hurler Carl Valenti with four baggers.

Jim Steele cracked two homers good for four RBIs and Charlie Marinko, hit one to lead ERC over Hopewell TV, 13-3. In the other game, EMC routed ETS, 27-5.

Post-season playoffs for the league championship, involving the first four teams in each division, will begin Tuesday, August 13. The first and fourth and the second and third place teams will each play two out of three series. The winners will play another two out of three for the divisional championship. The division winners will then meet for the league championship, again, in a two out of three series.

PRINCETON GIRLS WIN

to Stone Harbor Tennis. An all-Princeton final marked the Stone Harbor Junior Tennis Championships last week in the girls' 18-and-under doubles. Cindy Shoemaker and Sue Davis were the victors, defeating Dede Pickering and Mary Ellen Hurst, 3-6, 6-3, 6-2.

Dede was also runner-up in the girls' 16-and-under singles, losing the final, 6-4, 6-2, to Carol Sawyer of Wilmington, Del. Others who participated in the tournament were Terry Blake, Daren Hicks, Stephanie Shoemaker, Nancy Farley, Dan and Henry Thompson and Mike Jamesen.

Gym Status in Doubt

Princeton University will not know for another month whether it will be able to dedicate the 7,500-seat Jadwin Gymnasium when the Duke-Princeton basketball game is played on Saturday, December 7.

John P. Moran, General Manager of Planning, Plant and Properties, said this week that "no definitive statement is likely until the ironworkers' strike is settled and its full impact on job-progress can be evaluated." He indicated that such judgment will not, in all probability, be undertaken before Labor Day.

The strike has been in effect for more than a month, causing further delay in completing the final section of the roof of the $6 million domed structure. TOWN TOPICS reported last week that inability to make normal progress on the building may make play for at least part of the 1968-69 basketball season in Dillon Gym a necessity.

CENTRAL AIR-CONDITIONING . . . this fine home also has special insulation to assure perfect climate indoors all Summer long. Located in a quiet Lawrence Township neighborhood, the house has foyer, living room, dining area, modern kitchen with an extra large wall oven, 3 bedrooms and one bath on the upper level, family room, powder room, den (or 4th bedroom) on the lower level. Owner has a very desirable 5¾% FHA mortgage which could be assumed by a qualified buyer. $34,500

NELSON RIDGE . . . in this lovely area, which is still rural in character yet is only a few minutes from the center of Princeton, this long, low white one-story home offers a great deal to people interested in large living areas for entertainment . . . or work. The house has foyer, living room, large dining room, modern kitchen, and a vast family room with wall-to-wall carpeting. Both the den and the screened breezeway have fireplaces. Master bedroom with dressing room and bath. 2 small bedrooms and bath adjoin the den, which could also be a study room for children. Game room in basement. 1½ acres of land. (*) $55,000

RIVERSIDE . . . this fine home, located in one of Princeton's most admired neighborhoods, is in mint condition. Entry hall, living room with fireplace, ample dining room, very modern kitchen with electric dishwasher and disposal (and a good-sized breakfast area), study — or 4th bedroom — and bath. Spacious family room with an exit to the patio. Upstairs: 3 more bedrooms and 2 very large tiled baths. Exterior has been freshly painted. In winter, three thermostats provide very flexible heating. In Summer, a huge silver fan and many fine big shade trees make this a very comfortable residence (*) $57,500

SIX BEDROOMS . . . just a year ago, this family with seven children found a century-old farm house on an acre, with great old shade trees, only 5 minutes from the Junction. Completely restored after the manner of Colonial Williamsburg, the house has a spacious center hall with a wide staircase that instantly reveals the fact no expense was ever spared in its construction, or its restoration. To the right is a very large living room with fireplace. To the left, a dining room big enough for twelve, a breakfast room, a modern kitchen with stainless steel sink, electric dishwasher, new Formica counter tops, a walk-in pantry and a modern laundry. At the end of the hall, there's a full bathroom (brand new!) which can be a powder room for guests, or where the children can wash up as soon as they enter the house. Downstairs, the ceilings are high. Upstairs, there are 6 bedrooms and 2 more brand new bathrooms. In the attic three huge cedar closets. Brand new air-conditioners cool both floors. (All equipment, and draperies, included in the sale.) In all our experience, we have rarely seen a more immaculate home — fresh paint in Williamsburg colors, new wallpaper, gleaming re-finished floors, shining new bathrooms and kitchen. (*) $65,000

NEAR THE LAKE . . . on a high lot with many lofty shade trees, this fine home will appeal to people who appreciate perfection. The living room, with its high ceiling, companionable fireplace and the opulent wall-to-wall carpeting, has a balcony leading to 3 bedrooms (one, extra large, for it was planned to be two) and 2 baths. The dining room is very spacious, and the very modern kitchen has plenty of space for table and chairs. Downstairs: family room with bar, guest (or maid's) room and bath. Two-car attached garage. In the attic, a darkroom and lots of storage space. Outdoors: a large swimming pool in a completely fenced yard, beautifully landscaped. All in all, a wonderful home, in excellent condition. (*) $69,500

RENTALS . . . fronting the Lake, 3 bedrooms, 1½ baths, boathouse, $325. Furnished, with 4 bedrooms, 2 baths, lovely grounds, $375 . . . Unfurnished in beautiful Riverside, 3 bedrooms, den (or 4th BR) and 3 baths, $410

It does things other small cars shouldn't do.

Cornering at high speeds is one of the last things to expect small cars to do, successfully. Unless it's a SAAB, the out-of-the-ordinary small car. Out of the ordinary because it has front-wheel drive. So it doesn't push you around like others do. It pulls you around corners, curves and other drivers' mistakes. Is that all SAAB has? Not on your life. Most ordinary cars don't give you, even as options, all the standard SAAB safety features. As an optional extra, our new V-4 engine has a LIFETIME GUARANTEE.

SAAB
You can drive it like a big car.

Unusual overseas plan: Free shipment from Sweden to P.O.E. East Coast.

It carries loads other small cars shouldn't carry.

The SAAB V-4 Station Wagon is not like ordinary small wagons. It may look small on the outside (like the rest), but it's not small on the inside. It's full of room. Elbow room. Leg room. Head room. And loads of room for loads. Over half ton loads plus people. Or 375 pounds of baggage plus more people. Or no loads at all plus even more people in a backward-facing rear seat. (It has front-wheel drive for incredible control and traction on any surface.) And as an optional extra, our new V-4 engine has a LIFETIME GUARANTEE.
